

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST01458WI

This certificate issued to:

Barron Aviation, LLC
30530 Highway Y
Perry, MO 63462

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 3 of the Civil Air Regulations and Part 23 of the Federal Aviation Regulations (See continuation sheet 3 of 3.)

Original Product Type Certificate Number: A-790

Make: Cessna

Model: 190, 195, 195A, 195B, LC-126A, LC-126B, LC-126C

Description of Type Design Change:

This modification involves fabrication and installation of new skins and doublers around the gearboxes and baggage door in accordance with Barron Aviation Drawing and Document List, BA-311-DL, Revision 7, dated August 28, 2007, or later FAA approved revision.

Limitations and Conditions:

1. Compatibility of this design change with previously approved modifications must be determined by the installer.
2. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: January 20, 2006

Date reissued:

Date of issuance: November 6, 2007

Date amended:

By direction of the Administrator
